

Sathyan Memorial Arts and Sports club

“Touching the lives of poor”

**S.M. Jn., Undappara, Poovachal P.O.,
Thiruvananthapuram, Kerala**

Introduction

BACKGROUND

Sathyan memorial Arts and Sports club is a best in class and one of the prestigious societies established in 1985 in the Trivandrum district of Kerala. The society is formed by Gregory, an eminent humanitarian and social worker started this with an aim of helping communities through innovative and practical approaches specifically targeting children, women and youths of the underprivileged and poorest community in the locality of the Trivandrum and has a dream of expanding this to the whole of the Kerala. Above all his involvement with the society and volume of the work done with the facilities he had is still outstanding and got accolades from the government and local bodies. The presence of the motivated and focused team with him is an added advantage which continued to inspire him and to accomplish his goals of serving people through various project models from time to time.

Sathyan a famous actor from Kerala and a philanthropist given the immense thought to the founder of Sathyan memorial Arts and Sports club to offer his life for serving the public full time and that was the inception of new saga. Sathyan memorial Arts and Sports club is non-profit charity-oriented society registered under '*Travancore-cochin literary scientific and charitable societies Registration Act XII of 1955*' in 1985.

**“ Human values
and passion for
service is our
destiny”**

The background of the slide features a close-up of wood grain with prominent concentric rings in shades of brown, tan, and black. A solid purple rectangular area covers the right side of the image. A white rectangular box is centered over the wood grain, containing the text.

EXECUTIVE MEMBERS

FOUNDER

GREGORY T

He serves the founder and president of the society working tirelessly for the upliftment of poor people and serving the humanity. He hails from a small village from trivandrum which gave him a picture about needs of the deprived people from the childhood itself and to improve the lives of the deprived was his one of the burning thought he kept it heart for long time dormant and when he became graduated, he decided it was the time to take steps and initiatives to transform the lives of below poverty line people. His decision made significant change in himself and attracted a group of people to start this society, eventually the seed now grown as trees with a tremendous possibility. Now nearly 140 volunteers, 15 collaborates and agencies of national and state joined hands with him to achieve his mission. He dealt with agencies such as CAPART, NABARD, RMK, KSBDC, NMDFC, Kerala Vanitha Commission, Nehru Yuva Kendra, Central Social Welfare Board, Kerala State Housing Board, Kerala Health Dept, Kerala Horticulture Development Corporation, Kerala Bamboo Corporation etc., to obtain funds and implement the programs in target groups and align with the present needs of people.
